- Years exhibiting at the Massive Technology Show

Confirmation of booth assignment, show order forms and conference program will be forwarded in early fall.

2. AGREEMENT FOR EXHIBIT SPACE: The accepted application, the formal notice of assignment by the Massive Events Co. and the payment of rental charges constitute a contract for the right to use the space allotted subject to the rules and regulations issued by Massive Events. These regulations are part of the application for space which does not become effective until countersigned by a duly authorized representative of the Massive Events Co. reserves the right to make such additional conditions, rules and regulations as it deems necessary to insure the success of the exhibition.

3. BOOTH RENTAL INCLUDES a standard backwall drape 8 feet high, 3 feet siderails, general overhead illumination, carpeting and security (as provided for in item 11). Please note: rental does not include electricity or internet access. For availability of electrical and other services see item 5.

4. TABLE TOP RENTAL INCLUDES an 8' skirted table and carpeting. Please note: rental does not include electricity. For availability of electrical and other services see item 5.

5. AVAILABLE SERVICES: As a service to exhibitors Massive Events will appoint a display company to coordinate the following services at rates considered equitable; cartage, storage, equipment moving and erection, furniture, booth decorations, electricity. Services of electricians, carpenters and laborers will be provided for at the then prevailing rates.

6. PERMISSIBLE EXHIBITS: It is Massive Events' plan to provide a well-rounded educational exhibition to compliment the sessions, and as such, any unusual activities must be reviewed and approved by Massive Events in advance of the exhibition. Undignified methods of attracting attention will not be permitted. Massive Events reserves the right to determine the eligibility of any company or product for inclusion in the exhibition.

7. INSTALLATION OF EXHIBITS: Exhibits must be set up by time designated in the Exhibit Confirmation Kit. Space unclaimed by the opening of the first exhibit day will be forfeited without a refund of any of the rental paid. Massive Events reserves the right to make changes in the installation hours; however, such changes will be made known as far in advance of the exhibition as is practical. The exhibitor further agrees not to dismantle the exhibit or to do any packaging before the closing hour of the last exhibit day as described on the application. Penalty charges will be billed for any exhibit material remaining after the move out hours. Anyone who commences to dismantle an exhibit before closing hour of the last exhibit day will not be permitted to exhibit the following year.

8. GENERAL RESTRICTIONS: Massive Events reserves the general right to restrict any exhibit because of noise, method of operation, or any reason that is judged dangerous or objectionable, and also to prohibit, or to evict, any exhibit which is considered to detract from the general character of the exhibits area as a whole. This general reservation includes persons, things, conduct, printed matter, or anything deemed objectionable by Massive Events. In the event of such restriction or eviction, Massive Events is not liable for any refund or rental or other exhibitor expenses.

9. SOUND SYSTEMS: The use of sound systems is permissible provided they are not audible in neighboring booths, nor more than 3 feet into the aisle, and that the sound is directed only into the exhibitor's booth or vertically. Booth backwall height is 8' for inline and peninsula spaces, 12' for inline and perimeter spaces and 16' for island spaces. Exhibitors will not erect nor maintain a backwall higher than these limits. There can be no exception on this height limitation. So that the display value of an adjoining booth is not materially diminished, sidewall, fixtures and other display material may be erected to the maximum height of 8 feet only in that portion of the booth extending no more than 46 inches from the backwall, (islands accepted).

12. INSURANCE AND LIABILITY: Massive Events will provide regular guard service to cover the exhibition area. However, Massive Events shall not be liable for damage or loss to exhibitors properties through theft, fire, accident or any other cause, whether the result of negligence or otherwise. Exhibitors shall insure their own exhibit and display materials. Massive Events assumes no liability for any injury that may occur to visitors to the exhibition, exhibitors and their agents and employees or others.

Exhibitors agree to protect, save and keep Massive Events, the Vancouver Convention and Exhibition Centre, the City and Province in which the exhibits are held, their agents, or employees forever harmless from any damage or charges imposed for violation of any law or ordinance, occasioned by the exhibitor or those holding under the exhibitor, as well as to strictly comply with the applicable terms and conditions contained in the agreement between Exhibit Centre, Hotel, the City and Province in which the exhibit is held, and Massive Events regarding the exhibition premises. All cloth decoration must stand a flameproof test as prescribed by the applicable fire and safety ordinance. Inflammable materials and fluids must be kept in safety containers. No open flames are permitted. Massive Events reserves the right to cancel the entire exhibit or any irregular parts, with no refund or rental or liability for exhibit expense, if inspection indicates neglect to comply with these requirements.

14. RESTRICTIONS IN USE OF SPACE: All demonstrations, interviews, or other activities, such as the distribution of circulars and advertising matter of any description, must be confined to the exhibitor's own booth. The exhibitor agrees not to assign, sublet, or shape, the whole or any part of his/her assigned space without the prior knowledge and written consent of Massive Events. Consent may be withheld.
